Emergency Management Director Mark Marcy met with the board to discuss several items. Marcy presented the board with the completed County Emergency Operations Plan for review and approval. Motion by Sorenson, second by Severson, unanimous vote to authorize Chairman to review and sign document.

Discussion was held in regards to Marcy's recommendations for MnIMS courses that he suggests county commissioners and employees take. Some of the courses can be taken on-line. However, the 16-hour course can be taken only in the classroom setting. No action was taken at this time.

Marcy reported that state statute requires that each County Board appoint a Deputy Director of Emergency Management. The board asked that Marcy research this further and obtain information in regards to a job description for this particular position.

Marcy informed the board that Craig Strand is currently serving as the temporary Regional Program Coordinator for the area.

Marcy reported that he recently finished the remaining classes that are required of him to become certified as an Emergency Management Director. He also updated the board in regards to the number of hours that he has currently worked this year as Emergency Management Director. Commissioners Holmen and Severson will meet with Marcy as well as the Sheriff to discuss the hours involved with Emergency Management and to determine what other alternatives there might be.

County Engineer Ron Gregg met with the board to discuss a few items. Gregg reported that four bids were received for the CSAH 2 project (SAP 17-602-21) and were as follows: R & G Construction - \$692,970.44; Midwest Contracting - \$770,624.60; Mathiowetz Construction Co. - \$594,488.96; Minion Excavating, Inc. - \$565,717.00. Motion by Holmen, second by Severson, unanimous vote to accept low bid in the amount of \$565,717.00 from Minion Excavating, Inc.

Gregg requested that the board approve the purchase of a used chip spreader from Ruffridge-Johnson Equipment Co. Inc. The chip spreader is a 1982 Flaherty with approximately 2560 hours. The sale price is \$5,000 plus tax. Motion by Oeltjenbruns, second by Sorenson, unanimous vote to approve purchase of 1982 chip spreader in the amount of \$5,000 plus tax. Gregg was also asked to obtain a quote for the cost of a new machine.

Gregg reported that the tanker that was recently purchased from Hills Stainless Steel & Equipment Co. was returned because the tanker did not meet DOT specifications. Because of this, Gregg requested that the board consider allowing him to purchase the tanker from Johnson Trucking of Storden that he originally received a quote on. Motion by Sorenson, second by Holmen, unanimous vote to authorize purchase of tanker from Environmental Dust Control (Howard Hamilton/Bob Nelson) due to the fact that the other tanker did not meet DOT specifications.

Motion by Sorenson, second by Oeltjenbruns, unanimous vote to authorize Gregg to purchase 4,000 cubic yards of Class 1 surface gravel from Rupp Construction Co.
